Dear Goodwine Coop Members and Patrons,

Goodwine Coop will have a change of management in 2023. Our current General Manager, Michael Kaeb, has accepted a new position effective March 1, 2023. Michael will assume responsibilities as a member of the Merchandising Development Team at White Commercial Corporation, a firm that provides the resources, training and support necessary to help grain elevators and their teams excel in key areas of their business.

We will begin taking steps in a transitional plan that will continue the success Goodwine Coop has built during our 133-year history. Michael will remain at Goodwine Coop at this time to help with the transition. Please direct any questions relating to the leadership change to the Board of Directors. We thank Michael for his service to the cooperative and wish him the best with his new opportunity.

Respectfully,

Goodwine Cooperative
Board of Directors
